UINTA MOUNTAINS

4 Mirror Lake. Surrounded by 12,000 foot snow capped peaks and pine forests, Mirror Lake provides excellent fishing, camping, boating and hiking. Access off U-150, 30 miles northeast of Kamas.

Welcome to Mountainland.
To make it easier to enjoy our area, we've arranged all of Mountainland's major attractions geographically from north to south and numbered them for quick reference. The entire area can be covered in a day on a single tank of gas, but you'll have a better time if you pick places to stay along the way, give yourself a few days and really get to know the area. To help you do this, the back portion of this folder has a complete list of every hotel, motel, restaurant and campground in the region as well as theatres, transportation information and recreational data.
To go with it all, we have something happening throughout the year — rodeos, fairs, art festivals,

5 High Uintas. Over 244,000 acres of untamed high country are set aside as the High Uintas Primitive Area. No roads enter it, but trails take you through quiet meadows, pine shrouded lakes and the highest mountains in Utah. Access off U-35 or US 40.

melodramas and old-fashioned small town celebrations where it's impossible not to have fun. If you're passing through, check the calendar of events to see if there's something special you may be able to catch.
This folder has been prepared with the hope of making your Mountainland stay more enjoyable. If you'd like special assistance or further information, contact us at the Mountainland office in Provo or at any of the other local information bureaus listed below.

Mountainland Information.
